**Subject:** Proposed Orders - Dominion Energy rate case

To the Parties:

We are told that Southern Reporting can have the last volume of the Transcript in the Dominion rate case ready by July 27. They would release volumes as they completed them, with the last volume to be released on July 27, 2021. I know it is not a lot of time, but what would you think of a Monday, August 2, 2021 close of business due date for briefs and/or proposed orders? That way the Commission could possibly vote on August 4, 2021, which would give the Commission 12 days until the Order due date. These dates don't give a lot of time to anybody, but they may be the best we can do. I am certainly open to other suggestions, however.

Thanks,

David Butler
